Declaration of conformity
ROHS 3: Reduction of Hazardous Substances
European Directive RL 2011/65/EU
EU-Directive EU/2018/739
EU-Directive EU/2018/741
EU-Directive 2015/863/EU

Dear Sir or Madam,

With regard to production of our high technology wires which we supplied to you, we confirm that none of the forbidden substances which are stated in the European directive concerning reduction of hazardous material (RoHS3 + RL2011/65/EU + EU/2018/739 + EU/2018/741 + 2015/863/EU) are used – neither in our products nor in our fabrication processes.

Attention: The only exception are wires which are ordered by customer with a SnPb galvanize coating, this surface is not conform with this rules!

Best regards,

Richard Stenzhorn GmbH
